INFORMATION FOR DISTRIBUTORS

DECEMBER 2019

Ladies and gentlemen,

Just short note about this year´s sale before the introducing of the December releases. The sale stars on November 15th, 2019, with some 50 items on the sale list (see in attachment), the discount will be 50%, no additional discount could be combined. Which is the same condition like last year. The final list and detailed conditions will be emailed together with the Newsletter for 01_20 on November 15th.

Among the December 2019 releases, the most valuable looks the Royal Class edition P-51D Mustang in 1/48th scale. There are three other kit releases, as usual, the Nieuport 17 in 1/48th scale ProfiPack line, MiG-21MF Interceptor in 1/72nd scale, and Bf 109E-3 in 1/48th scale Weekend line. Note also 1/144 scale Spitfire Mk.IXc.

Check carefully the accessories list too. There are couple of the new Brassin line accessories for P-51D again, including the cockpit set for the latter versions of the Mustang, with two Löök and three wheel sets for the same kit. Very interesting would be the sets for new P-38F/G (Tamiya 1/48), as well as the wheel set for 1/48th scale B-17 by HK Models, the first of many future sets designed for this kit. All these kits are topical sales hits, we can expect good sales of the accessories too. The same is expected from the new 1/48th scale F-104 family by Kinetic. Among the PE accessories, see the sets for F-104J (see the mask sets too), and don´t miss group of the sets dedicated to the 1/32nd scale P-40N (Trumpeter). There are also 1/72nd scale sets for the new Pe-2 and Su-57 (both Zvezda), Tu-22 (Trumpeter) and Shackleton MR.3 (Revell). Note the Zoom PE sets for 1/72nd scale MiG-21MFN and 1/48th scale Bf 109E-3 for Eduard Weekend edition kits, and also the mask set for Bloch MB 152 (1/48, Dora Wings). Two sets are attached to the 1/350 fleet line, a set for German battleship Schleswig-Holstein, and Royal Navy WW II ensign flag for cruisers and destroyers. There are many releases prepared for December including more mask sets and three new decal sets, see all of them on the following pages!

All the November new releases are ready to be dispatched, please complete your order as soon as possible. Thank you very much!

Vladimir Sulc, CEO, Eduard MA
