

INFORMATION FOR DISTRIBUTORS

JULY 2024

Dear friends,
I would like to inform you about new releases coming up in July 2024.

THE KITS

In July, we will release the Spitfire Mk.XVI High Back kit in 1/48 scale in ProfiPACK edition. The era in which this version of the Spitfire was deployed is represented by the machines that can be built from the kit. Two of them are from late 1944, including the personal aircraft of the legendary Czechoslovak fighter, Otto Smik. The other four are from the spring of 1945, including the plane of W/Cdr Donald G. Andrews of Cottishall Wing. Additionally, in the Weekend edition in 1/48 scale, we will release a Bf 109G-6 kit from Erla factory production. This kit will offer the opportunity to build one of four Luftwaffe aircraft, including the famous aces Heinrich Ehrler of II./JG 5 and Gerhard Barkhorn of II./JG 52. The Weekend edition will also reissue a 1/48 scale Fw 190D-9 kit, featuring box art of the JV 44 machine with attractive red coloring on the lower surfaces.

The 80th anniversary of Operation Overlord presents another exceptional trading opportunity. We offer several other Invasion-themed items in our kit selection. Please consider taking advantage of them during this spring and summer, when the anniversary of the Invasion will be in the spotlight, not only for modelers. Below is a list of Operation Overlord-themed kits:

8281 Spitfire Mk. IXc late version 1/48 ProfiPACK
82122 Tempest Mk. V series 2 1/48 ProfiPACK
84172 P-51D-5 1/48 Weekend
84183 Spitfire Mk. IXc 1/48 Weekend
84195 Tempest Mk. V Series 1 1/48 Weekend
7466 Spitfire Mk. IXc 1/72 Weekend
11181: D-Day Mustangs; P-51B Mustang Dual Combo
June new release: 84200 Spitfire Mk. Vb OVERLORD
1/48 Weekend

P-51D MUSTANG - ROYAL CLASS IN 1/72 SCALE

In the upcoming week, we will be closing pre-orders for the kit cat.no. R0021 P-51D Mustang Dual Combo 1/72 Royal Class. This kit will not be available as a regular stock item. Shipments for this kit are scheduled for late June or early July 2024, later than our standard July releases.

In August 2024, the 1/72 P-51D will be released as an additional item in a Limited edition, also as a Dual Combo. This kit will also be available as a stock item.

BRASSIN

In July, the largest number of new releases will be for the new 1/72 scale P-51D Mustang kit by Eduard. This offer will include two versions of the Hamilton Standard propeller, two versions of exhausts (with and without cowls), three types of landing gear wheels including tail wheels, a cockpit set, and a separate seat with steel photo-etched seat belts. For the 1/48 scale Eduard P-51B/C, we will also release two versions of the Hamilton Standard propeller, an engine set, another version of the seat, and a 75-gallon tank.

Löök sets will be available for the A-20J/K in 1/32 scale from HKM, a set for the F4U-2 in 1/48 scale from Magic Factory, and a complementary set for the B-26B Marauder in 1/48 scale from ICM will round off the range.

In the BigSin series, we will release a 1/35th scale tool set for German ground vehicles and a 1/48th scale set for the F-16C by Kinetic.

ACCESSORY SETS - PHOTO-ETCHED PARTS, MASK AND DECALS

In July, we will release the second batch of sets for the Hobby Boss B-24J 1/48th scale kit. This will include the bomb bay, bomb racks, landing gear and details for the nose of the bomber & the radio operator's compartment. For the last set, one photo-etched planchet will be painted and one unpainted.

For Trumpeter's 1/72 scale A-6E kit, we will release a set of photo-etched parts based on the older set for the A-6A version, with the addition of avionics compartment details.

Special Hobby has released a 1/48 scale kit of the SMB-2 Super Mystère. This is the version used by the Israeli Air Force, but we will also prepare a set of flaps for the French Air Force machines.

Fine Molds has released a 1/72 scale F-15J in standard and MSIP versions. We will feature the MSIP version in our July offering with a set of photo-etched parts.

We will continue with three more sets of accessories for ICM's new 1/48th scale release, the B-26B. We will prepare a set for the exterior, the bomb bay, and also the rear fuselage where

a small colored photo-etched planchet is added to the unpainted one.

We will release the first set of photo-etched parts for Trumpeter's CV-4 Ranger aircraft carrier kit in 1/350 scale in July.

In addition to the standard selection of masks, we will also offer American insignia for the P-51D in 1/72nd scale and masks for the differently colored metal sheets on the surface of this aircraft.

In the Eddie the Riveter 3D decal series, we have triple round rivets in 1/32, 1/48, and 1/72 scale for June.

SHIPPING OF JUNE ITEMS AND PRE-ORDERS OF JULY NEW RELEASES

As is customary each month, I kindly request that you submit your **pre-orders for the June releases, preferably by Friday, May 31, 2024**. Based on your pre-orders, we will determine the quantity of items to produce. Please note that **if we do not receive your pre-order, we cannot guarantee the availability of all items** for your future orders, particularly for LIMITED series items.

Shipments of the June new releases will start on Monday 20 May.

Attention: **The June new release of cat. no. 2146 MARAUDER 1/72 Limited** (Hasegawa plastic parts) **is delayed due to transportation issues**. The ship arrival has been delayed, and the arrival date has already been postponed several times. Currently, we are expecting delivery to our warehouse on the 20th of May. Meanwhile, we anticipate the complete kits to be ready for distribution by the end of next week. We expect to ship all orders, including this item, soon but we cannot guarantee it as it depends on the delivery of the plastic parts for the Marauder kits.

If you wish to prepare a priority new release shipment, excluding item 2146, please inform our colleagues at the department e-mail address. We will dispatch item 2146 later, according to your instructions.

Should you require assistance with marketing materials, please do not hesitate to contact me directly.

Thank you for your attention and continued support!

Jan Bobek
